Dear Host Employer

The EAAB appreciates your participation in the One Learner – One Estate Agency Youth Empowerment Programme. In the quest to start the programme, the EAAB has decided that the learnership will officially commence on the 18<sup>th</sup> of June 2015.

The Host employer needs to be aware of the following:

An induction process will be performed for all Learners, Host Employers, SSETA and Lead employers aimed at providing precise and accurate information on the programme. This process should occur within the next three weeks of the commencement date. We will also supply the necessary material (i.e. logbooks, attendance registers, etc.)

Learners need to work 20 days before they can receive a full stipend. If the Learner works for less amount of time, they receive the proportionate stipend (i.e. learner works for 10 days they will get 50% of the stipend. The first stipend will be paid on the 30th of July 2015 and monthly thereafter.

Hope this is in order
