Dear Mr Jan Le Roux

**RE: ONE LEARNER- ONE ESTATE AGENCY LEARNERSHIP AND INTERNSHIP**

The Estate Agency Affairs Board would like to extend its sincere gratitude to those Estate Agencies who participated in the One Learner One Estate Agency Youth Brigade programme over the past financial year.

I would like to inform you that we are on track to meet our target of 668 placements for a grant allocation and intending to have placed 1000 for the 2018/2019 financial year; we will further more start our second recruitment in June 2019 with an additional five thousand interns/learners for the 2019/2020 financial year.

Kindly fill in the attached pledge stipulating the number of intern /learners that you will require, and then send it back to EAAB.

Please provide us with placement from your members because we wish for the learners to have as much experience as possible;

Furthermore please note that this year we are breaking from tradition an intending on having a formal ceremony for the handing out of placement letters to the one learner candidates.

At our ceremony we expect to also recognise the principals or host employers that made a contribution and trained learners as part of the One Learner programme, this ceremony is expected to take place in the week of the 29<sup>th</sup> April - 4<sup>th</sup> May 2019;

**ESTATE AGENCY AFFAIRS BOARD  
OF SOUTH AFRICA**

Please can we request that you provide us with the names and details of the identified principals or host employers on or before the 26<sup>th</sup> April 2019, so that we can liaise with them around placement.

After much consideration and engagements with industry we have resolved to have our own in-house accredited facilitators for both NQ4 and NQ5 respectively in order to continue to ensure the quality of the education of real estate agents as a regulator. For the next Learnership intake the EAAB will be conducting the said trainings internally.

I also acknowledge your concerns raised on the previous meeting held at our office; regarding the following matter:

1. Why SSETA had appointed One Training Provider (Milzet) for 750 learners;
2. Rebosa wants to drive the One Learner Recruitment with EAAB.

We therefore request an audience with yourselves in order to have further engagements with the Services Seta concerning the above matter.

Yours Sincerely,

Mamodupi Mohlala

Chief Executive Officer
